

Parking Instructions

When you arrive, you will be greeted by a sign with instructions to how our parking system works. You will need to scan the QR code *or* send the zone number to 98000 as a text message. It will send you a link to the webpage where you will purchase the parking pass. Fill out all of the information and submit. Once submitted, it will send you a confirmation text message with a green check. On your way out, we will use the link in that message to validate. Once validated, the charge will drop off, making it completely FREE.
